

Chaba Automatics

**"WE BELIEVE
IN
CUSTOMER SATISFACTION"**

ABOUT US

We are pleased to introduce Chaba Automatics as manufacturers of fasteners and machining components. The company is an ISO 9001:2015 certified.

Chaba Automatics strives to be a company with progressive approach by maintaining high international quality standards and delivering best services at every contract to ensure our customer's satisfaction and healthy long-term relationship.

MISSION

Our mission is to provide high quality fasteners at competitive prices, through market focused and process-centered approach, to develop and deliver innovative solutions to global customers.

VISION

our vision is to become leading global manufacturer and supplier in fastening solutions with international quality standards to keep our client ahead of competition.

QUALITY POLICY

At Chaba Automatics we are committed to supply products as per customer's requirements in order to achieve their entire satisfaction through continual improvements in our quality management system.

CORE VALUES

INNOVATION

We believe in continuously exploring and integrating new technologies and solutions to provide innovative products and services to our clients.

CUSTOMER FOCUS

We are committed to delivering exceptional customer service and support, and building strong and long lasting relationships with our clients.

EXCELLENCE

We strive to achieve excellence in all that we do, delivering exceptional results and making a positive impact on our clients, employees, and society.

COLLABORATION

We believe in working collaboratively with our clients, partners, and employees to achieve our objectives and create value for all employees.

DIVERSITY AND INCLUSION

We believe in creating an inclusive and diverse workplace where everyone is valued and respected, and differences are celebrated.

LEARNING AND GROWTH

We believe in continuous learning and development, both for ourselves and our clients, to stay ahead of the curve and deliver maximum value.

INTEGRITY

We operate with the highest level of integrity, honesty, and transparency in all our dealings with clients, partners, and employees.

PRODUCT RANGE

- M4 TO M24 by cold forging
- M27 TO M64 by hot forging
- 1 MM TO 100 MM by machining

LENGTHS

- Upto 300 mm by cold forging
- Upto 400 mm by hot forging
- Upto 1 meter by machining

MATERIALS & GRADES

- ✓ ALLOY STEELS : ISO898(88,109,129,22H,33H,45H)
ASTM – A354(BC&BD), A574, F835,F912, EN8,EN19,EN24,
AISI-51B37,4140H,AISI-4135,AISI-4137
- ✓ HIGH GRADE ALLOY STEEL : AISI-52100/ 100CR6
- ✓ STAINLESS STEEL : ISO3506(A2,A4), ASTM F837(CW),
ASTM F879,ASTM F880(CW),ASTM 193(B7,B8 & B8M, A-
286, AISI-431,AISI-416,AISI-410
- ✓ DOWEL PINS THROUGH HARD HRC 58-62
DOWEL PINS CASE HARD AS PER SPECIFICATIONS.

FINISHES

- ✓ Alkaline Zinc Plating in White ,Blue,Yellow,Green & Black.
- ✓ Dacroment Coating, Geomet Coating, Zinc Flake Coating(ISO 10683)
- ✓ Zinc Iron & Zinc Nickel Plating
- ✓ Trivalent or Hexa Chrome Free Plating (RoHS)
- ✓ Nickel plating
- ✓ Hot Dip Galvanizing
- ✓ Loctite
